About

International Innovation ARSVOT Malaysia 2023 (IAM2023) is an exhibition and will organize in the hybrid form. Innovation competition and conference are the main 2 events in IAM2023 and most suitable platform for innovators, academicians and related stakeholders sharing their creative innovations related to this year's theme of IAM 2023: Innovations Towards SDG 2030. The Sustainable Development Goals (SDGs), also known as the Global Goals, were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.
